Perrysburg Big Gold Football

The Perrysburg Big Gold Football Program has formed an alliance with the The 12th Man Club and the Perrysburg High School Varsity Football Program, its coaches, and its players in an effort to continue the tradition of Perrysburg Football. The Perrysburg Big Gold Football Program has been a tradition of Perrysburg since the 1970's. Its purpose is to provide an environment which youth will be able to develop basic concepts of good sportsmanship; experiences for youth that are fun and help them develop and maintain positive attitudes; to assist young people to develop physically, emotionally, and athletically; teach basic fundamentals of the game of football; to provide a safe and healthy environment in which youth may experience the fun of participating in the game of football; provide a forum in which youth, through the experience of the game, can apply and demonstrate the skills they have learned through practice, hard work, and dedication; provide a league made up of teams that are equal in age, size, and skill; and to involve adults as coaches, advisors, officials, fans, etc. to set examples of community involvement and as good role models.

The Perrysburg Big Gold Football Program part of the 12th Man Club is a non-profit organization made up of volunteer community members. Its success depends on the involvement of community adults, fans, coaches, advisors, and supporters. We encourage you to become involved in the tradition that is Perrysburg Football. The Perrysburg Big Gold Football Program prescribes to code of conduct rules for its players, coaches, and parents. All coaches must complete the Heads Up to Youth Sports and present a certificate of concussion training to the league. All parents are encouraged to complete the training as well and be informed about concussions in youth sports. The training courses can be found at:
